

City of Lafayette Staff Report

For: City Council
By: Tracy Robinson, Administrative Services Director
Date Written: June 2, 2008
Meeting Date: June 8, 2008
Subject: **Second Loan Agreement, and First Amendment to Loan Agreement, between the Lafayette Redevelopment Agency and the Lafayette Library and Learning Center Foundation**

Background

The Lafayette Redevelopment Agency ("RDA") entered into a Loan Agreement with the Lafayette Library and Learning Center Foundation ("LLLCF") in May of last year for construction of the Lafayette Library and Learning Center (the "First Loan").

The LLLCF has now offered to loan the RDA an additional \$2.5 million for construction purposes (the "Second Loan").

Analysis

Most of the terms of the Second Loan Agreement are similar to the terms of the May, 2008 Loan Agreement. However, the key provisions to emphasize include:

- Funds will be conveyed to RDA July 1, 2009;
- Interest will be 8%, compounded annually or a fraction thereof;
- The 6.25% interest rate on the First Loan will be increased to 6.5% while the Second Loan remains outstanding;
- The loan, and interest accrued thereon, will be repaid in one lump sum out of the proceeds from the next RDA bond issuance, or on December 1, 2012, whichever is earlier;
- Like the First Loan, the Second Loan will be unsecured. However, the First Loan will have seniority pursuant to the terms of the Second Loan Agreement; and
- Loan repayments will be used by LLLCF in accordance with the usage and funding agreements previously adopted by the City, RDA, and LLLCF.

Recommendation

Review and consider the loan agreements between the Lafayette Redevelopment Agency and the Lafayette Library and Learning Center Foundation.

RA

"Project Area" has the meaning set forth in the Recitals.

"Tax Increment Revenues" means all taxes allocated to, and paid into a special fund of the Agency for the Project Area pursuant to Article 6 of Chapter 6 of the Law and Section 16 of Article XVI of the Constitution of the State of California, and as provided in the redevelopment plan for the Project Area, including all payments and reimbursements, if any, to the Agency specifically attributable to *ad valorem* taxes lost by reason of tax exemptions and tax rate limitations; excluding amounts required to be deposited in the Agency's low and moderate income housing fund pursuant to the Law.

Section 3. Loan. The Foundation hereby agrees to lend to the Agency the amount of two million five hundred thousand dollars (\$2,500,000), which it shall convey to Agency on July 1, 2009 (the "Second Loan"). The Agency agrees to use the Second Loan to pay the construction costs for the Project as they become due and agrees that such amounts will be

used to cover a portion of the total construction cost of the Project and for no other purpose.

Section 4. Source of Repayment; Subordination to Bond. The Agency agrees to make all loan payments hereunder from Tax Incremental Revenues or any other source of legally available funds. Agency's obligations under this Second Loan Agreement are subordinate and junior to any Bonds and shall also be subordinate and junior to other indebtedness or form of obligation incurred prior to the effective date of this Second Loan Agreement. The Agency hereby pledges and grants a security interest in the Tax Incremental Revenues to the Foundation as security for the loan payments; provided, that such pledge and security interest shall be at all times subordinate to the obligation of the Agency to pay debt service on all Bonds. The Foundation agrees that, in the event the Agency does not have sufficient funds after payment of debt service on Bonds to repay the Second Loan, the shortfall, to the extent that it is accrued interest, shall be treated as additional advances hereunder which increase the outstanding loan balance and the Agency shall not be declared in default hereunder. Notwithstanding any default by the Agency hereunder, under no circumstances shall the amounts due to the Foundation hereunder be subject to acceleration.

Section 5. Modification of First Loan; Amendment of Loan Agreement. The parties agree that the Loan Agreement shall be modified to increase the interest rate of the First Loan to 6.5% as of July 1, 2009, as long as the Second Loan remains outstanding.

Section 6. Loan Repayment, Interest Rate. The Agency and the Foundation agree that the outstanding Second Loan balance will accrue interest, compounded annually, or a fraction thereof, at the commercially reasonable rate of 8% per annum commencing on July 1, 2009 until Agency issues and receives the proceeds for the Foundation Repayment Bonds, or otherwise until the balance of the Second Loan is fully repaid. Any accrued and unpaid interest as of June 30th of each year shall be added to the principal balance of the Second Loan as of that date. The Agency agrees that it will repay the Second Loan and accrued interest as follows:

(a) Upon issuance of the Foundation Repayment Bonds, and receipt of the proceeds therefrom, the Agency shall re-pay the Foundation the full amount of the Second Loan, and all interest accrued thereon to such date, in one payment.

(b) With the Foundation's consent, which will not be unreasonably withheld, the Agency at any time may elect to prepay all or any portion of the outstanding Second Loan balance prior to the issuance of the Foundation Repayment Bonds without penalty from any source of legally available funds. The Agency shall pay interest accrued on the outstanding Second Loan through the date of payoff.

(c) If the Agency has legally available funds that are not committed to the repayment of Bonds and other indebtedness or form of obligation incurred prior to the effective date of this Second Loan Agreement, it shall repay the Second Loan and all interest accrued thereon in full by December 1, 2012 unless an alternative agreement is reached with the Foundation.

Section 7. Use of Loan Repayments. The Foundation shall use all loan

repayments in accordance with the usage and funding agreements previously adopted by the City, Agency and Foundation.

Section 8. Amendments. This Second Loan Agreement may be amended from time to time by the parties hereto for any purpose by an instrument in writing signed by a duly authorized representative of the Agency and the Foundation. These amendments may allow for the Foundation to sell some or all of the loan to third parties or for the repayment schedule to be adjusted if mutually approved by the Parties. Both the Agency and the Foundation shall cooperate with one another to approve amendments that are not harmful to either party, which amendments shall be approved by a majority of the Board of Trustees in the case of the Foundation. No amendment shall conflict with any covenants of the Agency made to owners of Bonds issued prior to such Amendment.

Section 9. Representations and Warranties of the Foundation.

The Foundation hereby makes the following representations and warranties to the Agency:

(a) The Foundation is a duly organized and existing non-profit public benefit corporation under the laws of the State of California, has full legal power and authority to enter into this Second Loan Agreement and has duly authorized the execution and delivery of this Second Loan Agreement in accordance with its Bylaws and Articles of Incorporation.

(c) The Agency reasonably expects that it will have sufficient funds to pay all payments to the Foundation hereunder when due.

(d) The Agency is wholly independent of, and is not controlled by and does not control, either indirectly or directly, the Foundation. This Second Loan Agreement is made as an arm's length transaction.

(e) The execution and delivery by the Agency of this Second Loan Agreement, the making of the loan, the performance of the Agency's obligations hereunder and the consummation of the transactions contemplated hereby will not result in the violation of any law, statute, rule, regulation, order, writ, injunction, judgment or decree of any court or governmental authority to or by which the Agency is bound and will not conflict with, or result in a breach or violation of, any of the terms or provisions of, or constitute (with due notice or lapse of time or both) a default under, any lease, loan agreement, mortgage, security agreement, trust indenture or other agreement or instrument to which the Agency is a party or by which it is bound or to which any of its properties or assets is subject.

(f) No consent, approval, authorization or other order of any governmental authority or other third-party is required to be obtained by the Agency in connection with the authorization, execution and delivery of this Second Loan Agreement or with the authorization and making of the loan or the performance of the Agency's obligations hereunder.
